Description

Essential oil Relief alleviates cold symptoms and has a strengthening effect. Pure essential oil with the blend Relief creates a pleasant interior fragrance which smells of eucalyptus and has a light, warming woody note. The aromatic oil is manufactured from high-quality plant essences in Switzerland and contains no synthetic substances, pesticides or parabens. The oil is hand-bottled by the TRANSfair Foundation. All the oils in the blend Relief originate from ecologically sustainable production and are not tested on animals.
